Beaumont Grosse Pointe & Troy*

Our Mission

To empower communities, one family at a time, by advancing the educational, social, health and economic well-being of Southeast Michigan Residents.

EDUCATION, YOUTH & WORKFORCE DEVELOPMENT

YOUTH LEADERSHIP BRIDGE TO COLLEGE PROGRAM (YLBTCP)

The program provides high school youth with various seminars and activities focused on financial literacy, career exploration, resume building, personal branding, communication, leadership, public speaking, and post-secondary education preparation. The program is offered at LAHC HQ and in various schools throughout Wayne County.

SCHOLARSHIP PROGRAM

For over thirty years, LAHC has awarded more than

2 MILLION DOLLARS

in academic scholarships to local students. For general criteria please visit our page on LAHC's website.

DIGITAL LITERACY AND TECHNOLOGY PROGRAM

LAHC offers weekly, bilingual classes on topics related to Google Suite, social media, cyber security and online safety. By programs end, participants will feel more able to achieve their educational and occupational goals.

ENGLISH AS A SECOND LANGUAGE CLASSES

Immigrants and newly arrived refugees learn to read, write, and communicate in English. This assists them in becoming active and informed parents, workers, and community members. Classes are offered 5 days a week for beginning, intermediate, and advanced learners.

BEHAVIORAL HEALTH

BLOOMING MINDS

A Recreational Therapy program aiming to promote mental wellness among community members within Wayne County by providing evidence-based interventions to decrease feelings of stress, anxiety, and depression, promote a healthy leisure lifestyle, and improve overall quality of life.

- Free group therapy sessions
- 12-14 weeks, 45-60 minutes
- Therapeutic Interventions:
 - Expressive Art
 - Music & Mindfulness
 - Movement & Exercise
 - Games & Cognitive Exercise

DEVELOPMENTAL DISABILITIES & AUTISM SERVICES

Pathways provides therapeutic services & educational interventions for middle & high school aged youth with developmental disabilities and autism spectrum disorder. The curriculum follows an evidence-based behavioral model that promotes active participation and cooperative interactions amongst students. Each series focuses on communication, social, and coping skills as well as developing and maintaining relationships. Intervention objectives support students as they build individual skill repertoires to reach long term independence.

HEALTHY LIVING – OBESITY PREVENTION

The Healthy Living Program is focused on empowering adults, children and families in underserved communities to take control of their own health. Through a combination of cooking and fitness classes and hands-on nutritional content, program participants learn how diet and exercise directly impact their health.

SOCIAL SERVICES

HOUSING ASSISTANCE PROGRAM

In response to the need of the community, the City of Dearborn Block Grant–Coronavirus Subsistence Program has been created to help Dearborn Residents who have fallen behind on their housing and utility payments and those facing evictions, displacements and/or utility shut offs due to Covid-19.

SUBSTANCE MISUSE & MENTAL HEALTH PROGRAM

SUBSTANCE MISUSE PREVENTION

The program aims to increase awareness and reduce substance use and related problems among youth through education and the promotion of healthy and safe communities. Through a culturally sensitive approach, our program serves middle and high school students, their families, veterans, as well as other public health professionals.

PROGRAMS INCLUDE:

- ACT Drug Free Community Coalition
- Youth Gambling Prevention Program
- Youth & Adult Smoking and Vaping Cessation Programs
- Adult Asthma Self-Management Program
- Bilingual Parenting Classes
- Youth & Adult School-Based Prevention Programs
- Narcan Education and Training
- Tobacco Vendor Education
- Safety Disposal of Medication Education and Programs
- Youth & Adult SBIRT (Screening, Brief Intervention, and Referral to Treatment)
